This is disgusting! In an election where Bernie is running on a message of corruption of money in Washington, the DNC is hitting him right back with more corruption! This should send a strong message to the american people that we need to support Bernie Sanders, the LAST honest politician, and tell the DNC that we won't be bought!

In what amounts to a full-frontal assault on Bernie Sanders' political revolution, the DNC just dismantled the rules prohibiting Super PACs and lobbyists from donating to the party. The decision opens the floodgates to big money and according to Robert Reich has turned the DNC into "nothing more than a siphon for corruption." This is red alert folks, the DNC is committed to rigging this election and rolling back the revolution, SHARE wide and SIGN petition in article!!

The DNC Just Declared War on Bernie Sanders' Political Revolution

The Democratic National Committee, headed by the massively unpopular Debbie Wasserman Schultz, has just lifted the last restrictions preventing the DNC from...
